WELCOME TO THE DALLAS THEATER
CENTER GUILD

"The flood lights are on!"

What a wonderful year we have in front of us! Guild membership is continuing to grow through the efforts of our very competent membership committee led by Sarah Warnecke. Plans for exciting events throughout the year are being finalized. We will again be involved with many activities for fun and support of the Dallas Theater Center.

The Dallas Theater Center is already into the new season with the opening performance of "Second City Does Dallas" following previews beginning in August. Guild members are supporting productions by manning the subscription bar and greeting patrons as they enter the Theater.

We are looking forward to working with all of you in making this a successful year for the Guild and the Theater as the Dallas Arts District grows as a major factor in the growth of cultural arts in the metroplex.
